**12. DEPARTMENT REPORTS:**

- a. **Police Department** – Chief Tornielli reported that October was the busiest month of the year with 1,216 department activities. The Reading Hospital Road Run went well with no issues experienced during the event. Extra deployments are planned for the Small Business Saturday, the Tree Lighting events, and the Santa Bar Crawl, if that occurs. The RMS upgrade will go live tomorrow. Special thanks went out to Sergeant Phillips and Officer Karetas, who spearheaded the project that was funded by the PCCD grant.

During last month's Council meeting, complaints were made about activities in the vicinity of Kline Street. Based on these complaints, officers spent about a week talking with various residents in the neighborhood to get a sense of what was happening. The information was shared with patrol supervisors, who generated a plan to address the issues. The two weeks following strategically directed patrols saw five security checks, six foot patrols, one traffic check, and the identification of six parking issues and a suspicious person. A person who ducked behind a parked vehicle to hide from an officer resulted in a foot chase and drug arrest. The main deployment on November 10 for the Community Connect Tent brought residents out to visit with officers. Chief Tornielli stated that this was an example of how things should work: identify the problem, formulate a plan, and achieve positive results in a timely manner.

Motion to accept the Police Department report. **Moved** by Mr. Kaag and seconded by Ms. Drobnick. **Motion carried 5-0.**

- b. **Public Works Department** - Mr. Grassley offered to answer any questions about his report. - A window decorating contest will be held through December, and winners will be awarded cash prizes.
- The WRCRF will be assisting with the Ice and Spice event from January 23 through 25.
- The November Local Love event has partnered with Helping Harvest. Consideration was requested to partially close North Sixth Avenue for the Helping Harvest van to park and set up for the event. Mr. Lineaweaver noted this should be the last, last-

minute request. In the new year, all road closure requests will be submitted at the beginning of the year.

Motion to approve the closure of North Sixth Avenue from Penn Avenue to Court Street on Thursday, November 20, 2025, from 5:00 – 8:00 p.m. **Moved** by Ms. Drobnick and seconded by Mr. Wert. **Motion carried 5-0.**

Mayor Kaag thanked Mr. Esterly for his efforts in making this year's events thrive.

Motion to accept the Recreation Commission report. **Moved** by Mr. Kaag and seconded by Ms. Bower. **Motion carried 5-0.**

- b. **Planning Commission** – Mr. Wert noted continued discussions on impervious coverage, stormwater, and civic space design standards with consultants. A Zoning Appeal for 634 Penn Avenue was discussed regarding the upper-floor unpermitted conversion from commercial to residential use without the required off-street parking. A recommendation was made for Borough Council to enter an appearance on behalf of the borough. Mr. Wert indicated that the change of use was not in the spirit of recent Zoning amendments. The conforming use of office space was preferred.

Motion to enter an appearance as a party to the Zoning Appeal Hearing for 634 Penn Avenue in opposition to the variance request. **Moved** by Ms. Drobnick and seconded by Mr. Kaag. **Motion carried 5-0.**

Mr. Moyer noted that a Zoning Hearing for the 438 Penn Avenue appeal has requested an extension. This hearing will be scheduled in January.

Mr. Wert shared that regulations about Games of Skill are being reviewed at the request of Mr. Moyer. The Solicitor's office has been asked to provide feedback. At present, there are no regulations at any level. Mr. Wert recommended getting a handle on these types of uses that are not healthy for the community.

Motion to accept the Planning Commission report. **Moved** by Ms. Drobnick and seconded by Ms. Bower. **Motion carried 5-0.**

- c. **Economic Development Committee** – The November Economic Development Committee meeting was canceled.

  - Updates were provided on the status of establishing parking on 433 Penn Avenue.
  - Survey results were reviewed from businesses about Penn Avenue paid and handicapped parking.
  - Updates to a draft of the Micromobility Vehicle ordinance were discussed.
  - Bushes have been trimmed at the Juniata and Buttonwood Street intersection to improve line-of-sight issues.

Mr. Miller spoke about a request, several years ago, to provide tenants with copies of the water, sewer, and trash bills. It was noted that this violates the borough's ordinance. This practice has continued up to this time. At present, an additional 175 invoices are mailed to tenants every quarter. Issues have arisen in instances when a tenant vacates a property without paying an outstanding balance. We are looking to restore the policy to its original intent of no third-party billing. Notifications of this policy change would be provided to both the tenant and the owner of the rental property. The policy of notifying both the tenant and the owner would continue in the event of a pending shut-off for non-payment. The ability for a tenant to view account information online would be a viable alternative. Mr. Wert reported that he pays his rental property invoices, knowing that he is ultimately responsible for the account.

Mr. Miller spoke of a cellular program that has become available, which would alert the borough and the owner/tenant through an app to high or low usage. Grant funding will be applied for in the near future.

Motion to eliminate the internal policy of mailing a copy of the water bill to a third party. **Moved** by Mr. Wert and seconded by Mr. Kaag. **Motion carried 5-0.**

g. **Safety Committee** – Mr. Lineaweaver noted review of office ergonomics. Assured Partners conducted a risk control survey. A safety and health survey of the Police Department and Borough Garage was conducted as required.

Motion to accept the Safety Committee report. **Moved** by Ms. Drobnick and seconded by Ms. Bower. **Motion carried 5-0.**

h. **Finance Committee** – The November Finance Committee meeting was canceled.

14. **TREASURER'S REPORT:**

a. **Transfer of Funds** – Consideration was requested for approving the transfer of \$775,000 from the PLGIT Prime account to the M&T General Fund account. **Moved** by Ms. Drobnick and seconded by Ms. Bower. **Motion carried 5-0.**

Approval of the reinvestment of the \$1.5M TERM maturing on November 20, 2025 was requested. Mrs. Rentschler noted declining rates and recommended reinvesting \$1.5M in a 365-day term at approximately 3.84% interest. The second six-month expiring term was advised to lapse for a period of six months. Those funds would be transferred to the PLGIT PRIME account, which is currently earning 4.04%. Mrs. Rentschler recommended reviewing options in May of next year to reinvest those funds.

Motion to reinvest one PLGIT Term for \$1.5M into a 365-day TERM at approximately 3.84% interest. **Moved** by Mr. Kaag and seconded by Ms. Drobnick. **Motion carried 5-0.**
